WHOLE EARTH REVIEW AND DESIGN in Class 16

Dear Mr. Stone:

Our firm obtained trademark registrations on behalf of the Point Foundation for the above-captioned marks. Although our firm has not performed any work for the Point Foundation since the completion of the registration process, the trademarks remain on our docket. Accordingly, we would like to advise you that affidavits of use must be filed for these trademarks between the fifth and sixth anniversaries of the dates of registration. The affidavits attest to your company's current use of the marks in interstate commerce. The above trademarks have entered into the aforementioned time frame.

Kindly contact us at your earliest convenience so that we may discuss how you would like this matter handled.

Sincerely,

Deirdre Clarke
